Professional Summary

Undergraduate student pursuing a Bachelor of Actuarial Science (Honours) at Universiti Teknologi MARA (UiTM). Highly organized with strong analytical and problem-solving skills. Adaptable, eager to learn, and committed to delivering innovative solutions in business, finance, and risk management.

Education

- **Bachelor of Actuarial Science (Honours)**
MARA University of Technology (UiTM)
Sep 2025 – Present
CGPA: **3.87** | Dean's List
- **Foundation in Social Sciences (Business Major)**
University of Malaya (UM)
Jul 2024 – Jul 2025
CGPA: **4.00** | MUET: **Band 4.5**
- **Pre-Diploma in Business Administration**
International Islamic College (IIC)
Mar 2024 – Jun 2024
- **Sijil Pelajaran Malaysia (SPM)**
Kolej Islam Sultan Alam Shah | 2022 – 2023
Results: **5A+ 4A 2A-**

Academic Achievements

- Received Dean's List during 1st semester of Bachelor's Degree at UiTM.
- Top CGPA of 4.00 during Foundation studies at UM, showcasing academic excellence.
- Served as 'Guru Muda' for Additional Mathematics, Economics and Principles of Management.
- Awarded Principal's Award for outstanding performance in SPM Trial with 9As.

Extracurricular Achievements

- Silver Award in Pre-University Matriculation Innovation Competition 2025 for innovative solutions.
- Bronze Award in International Invention, Innovation and Design Competition 2023 for creative project design.
- Silver Award in Queen's Commonwealth Essay Competition 2022 for exceptional writing skills.
- 3rd place in Digital Ninja Programme 2022 under MDEC for entrepreneurship and innovation skills.
- Digital Advance in Digital Competency Score 2021.
- Honorable Mentions in Kangaroo Maths and Beaver Computational Thinking 2022 competitions for analytical skills.

Data Analytics & Business Intelligence Projects

- XXX: XXX.

Innovation Projects

- **Keyreyn:** Conceptualized an innovative biometric payment system utilizing iris recognition technology and planned integration with ESP32-CAM to enhance transaction security, user authentication, and contactless payment efficiency.
- **Project ARI (Aqua Rejuvenation Impact):** Designed an IoT-enabled environmental solution combining an Arduino and ESP32-CAM-powered autonomous waste-collecting boat, a stationary water filtration system, and a monitoring application to combat plastic pollution and improve water quality in waterways.
- **Nature's Canvas:** Developed an Arduino-based seed paper production machine by modifying a paper shredder to automate the recycling process, transforming paper waste into biodegradable seed paper that promotes sustainability and environmental awareness.

- **MushPack:** Created a waterproof, biodegradable packaging material from mushroom waste and used tea bags, providing an eco-friendly alternative to conventional plastic packaging while supporting waste reduction and sustainable resource utilization.
-

Professional Experience

- **Sales & Promotion Roles** | Apr-Jun 2024
Guardian Roadshow (SUI Eyelashes), Watsons Roadshow (JMELLA & Dirty Works), Watsons Campus Roadshow (T3 Pimple Solutions)
Sold over RM200 worth of products per day, increased brand visibility, and assisted customers across diverse age groups.
 - **Event Crew & Brand Ambassador** | Jun-Dec 2024
MYC Fresh Faces (Hiruscar Roadshow), Mini E-Sports Con (Tencent PUBG/HOK), Petronas Appreciation Dinner, Ford Experience Hub
Supported event operations over 100 to 1000 participants including celebrities and ministers while ensuring smooth execution.
-

-

Skills

- **Languages:** Bahasa Melayu (Native), English (Advanced), Arabic (Intermediate), Mandarin (Basic)
 - **Data Analytics & Business Intelligence:** Data Analysis, Statistical Analysis, Data Visualisation, Dashboard Design, Business Intelligence, Data Storytelling
 - **Programming Languages:** Python, R, SQL, JavaScript, TypeScript, C++, HTML5, CSS3, MAPLE
 - **Web & Full-Stack Development:** React, Node.js, RESTful API Development, Front-End Development, Back-End Development, Full-Stack Development, Responsive Web Development
 - **Databases & Cloud:** Database Design, Supabase, PostgreSQL, Cloud Computing, Cloud Deployment, Amazon Web Services (AWS) (Basic), Google Cloud Platform (GCP) (Basic), Microsoft Azure (Basic)
 - **Development Tools:** Git, GitHub, API Integration, Authentication & Authorization, Version Control
 - **Artificial Intelligence:** Prompt Engineering, AI-Assisted Development, Workflow Automation, Generative AI, Large Language Models (LLMs)
 - **Risk & Finance:** Statistical Modelling, Predictive Modelling, Financial Mathematics, Risk Management, Financial Risk Analysis, Asset-Liability Management (ALM), Insurance Fundamentals, IFRS 17
 - **Accounting Software:** AutoCount Cloud
-

Professional Certifications

- **Probability (P) Exam** | *Society of Actuaries (SOA)* | Expected 2027
 - **FIMM Combined Examination (FCE)** | *Federation of Investment Managers Malaysia (FIMM)* | Expected 2027
 - **Takaful Basic Examination (Part A, B & C)** | *Malaysian Takaful Association (MTA)* | Oct 2026
 - **SAS Certified Statistical Business Analyst Using SAS 9: Regression and Modeling** | *Statistical Analysis System (SAS)* | Sept 2026
 - **AI+ Security Level 1** | *AI CERTs®* | July 2026
-

Digital Credentials & Knowledge Badges

- **EY-Microsoft AI Skills Passport** | *EY x Microsoft*
- **AWS Cloud Essentials Knowledge Badge** | *Amazon Web Services (AWS)*
- **SAS SQL Essentials** | *Statistical Analysis System (SAS)*
- **Foundations of Risk and Asset Liability Management Knowledge Badge** | *Statistical Analysis System (SAS)*
- **Foundations of Insurance and the IFRS 17 Standard** | *Statistical Analysis System (SAS)*

Professional Training & Development

- **Data Analytics & BI:** Microsoft Excel, Power Query, Power BI (Dashboard Development, DAX, Data Visualisation)
- **Financial & Risk Analysis:** SAS Risk Management, Insurance Fundamentals, IFRS 17, Financial Modelling, AutoCount Cloud
- **Programming & Cloud:** Python, SAS Viya Workbench, Git & GitHub, AWS, Microsoft Azure, Google Cloud
- **Artificial Intelligence:** Agentic AI for Data Science, AI Productivity Tools (NotebookLM, Prompt Engineering)
- **Professional Development:** Break Into Finance, Youth Speak Forum
